DO YOU KNOW HOW MANY DIFFERENT SPACES YOU CAN CREATE IN YOUR OFFICE?

Many companies adapt their workplaces to changes, creating flexible and agile office spaces that allow for simple and quick rearrangement. HushWall is a configurable, mobile solution that adapts to a variety of office layouts and employee needs. It is a mobile partition wall for the flexible creation of office zones while providing a vertical working space for work. HushWall has integrated castors that facilitate quick relocation of the product. HushWall adapts to changing office functions – without renovations or installers.

The new functionality of the wall with shelves, together with a cabinet closed with a roller shutter, gives you more storage options in the office, and specially designed pot covers will make your office even greener.

HUSHWALL IN YOUR OFFICE ALLOWS YOU TO:
